

Outcomes First Group shortlisted as finalists in the Education Investor Awards

20th July 2018

Rowena McLauchlin

Outcomes First Group have been shortlisted as a finalist under the category 'Content and Education Provision – Private Education Group of the Year' for the Education Investor Awards.

The Education Investor Awards are presented to organisations and individuals that have made an outstanding contribution to education in 2017-18, with a view to promoting excellence and recognising innovation in the private education sector.
