

WEBSITE ANNOUNCEMENT

NFA Group is pleased to announce the acquisition of Brighter Futures Foster Care Ltd on 6th August 2018 from Justina Gay and Sali Walker who founded the Agency in 2007.

Brighter Futures, rated Good by Ofsted and located in Walthamstow in Essex, joins NFA Group's family of agencies in the South East providing excellent local services throughout this area.

NFA Group is the UK's largest provider of independent fostering services, helping to support Local Authorities meet their statutory sufficiency duty to provide safe and secure foster homes for those children and young people for whom they have a legal responsibility.

Sali Walker, Business Director of Brighter Futures Foster Care Ltd "Justina Gay and I have always focused on providing our carers with the very best support since we set the agency up in 2007. During that time, together with our team, we have always aimed to make a real difference to the children and young people in our care and it was extremely important to us that Brighter Futures joined an organisation whose value sets were not only similar to ours, but whose culture provided our carers and staff with an environment where they would be valued and feel comfortable."

Iain Anderson, Group Chief Executive for NFA said "I am delighted Justina and Sali made the decision to join NFA Group. Brighter Futures Foster Care Ltd has a great reputation and their approach mirrors NFA's own proposition "children are the heart of everything we do'. I am sure that, together, we will continue to deliver exceptional outcomes for the children and young people.

Going forward, Brighter Futures Foster Care Ltd will continue to operate under its own Ofsted registration and joining NFA Group's family of agencies will provide Brighter Future foster carers and customers with the extended range of support services, training and innovation for which NFA is well known.

Note to editors:

National Fostering Agency:

NFA Group, established in 1996, provides, through its fostering division, independent professional fostering services to Local Authorities throughout the United Kingdom to make a real difference to the quality of life to those vulnerable children and young people it supports. As the UK's largest children's services provider, the Group also supports some of the UK's most vulnerable children through its portfolio of special needs schools and residential services.
