

How to avoid bad people

CHAPTER 1

Once upon a time there was a lonely dog named Emily. The lonely dog did not have a family as she was abandoned from the other family as they did not want her. On a lonely day a girl named Ruby found her and took her in, but her family were not very nice as they wanted to kill her as soon as they saw her then Ruby's mum said "Ruby dear why have you brought that revolting dog home? Then Ruby said "but mum she is not revolting she just needs a home. "

CHAPTER 2

Ruby had no choice but to take Emily outside. She told Emily to go and find her own home. Emily sat outside the door and howled all night long, then a light turned on upstairs and a voice spoke. The voice said "Emily stop that howling this minute. "

CHAPTER 3

But Emily did not listen to the voice and started howling again. The voice got mad at Emily and then the light turned off, then there was a big thud and the door swung open and in the doorway stood mum. In one hand she held a speaker and in the other a gun! Emily whimpered and mum said "goodbye Emily" and there was a big BANG! That was the last time we saw her 😞.
