

My recent dream:

One day Bloom and her parents had an argument but she didn't want to talk to them until she was ready a week had passed since the argument. One night Bloom was sitting in the living room when someone was at the door then when Melody, her foster carer answered he came in so Bloom hid in her secret place. When he left Bloom got out but she didn't know he was outside the front door when she walked out of the room he saw her. She ran outside when she heard a voice she looked at the gate and sky was standing there he said

Sky: bloom you need to come with me

Bloom: no go away

She ran back into the house she was scared so when they were all inside Bloom said to her foster parents

Bloom: look i need to go but i have put a spell on the house so your safe

Melody: thank you bloom

Bloom : i will see you soon

So she transformed and turned herself invisible and was on her way to her boyfriend's house but she didn't know what was waiting for her. When she got there jarrad wasn't there but he came out of his wardrobe and said

Jarrad: you need to go Bloom now

Bloom: why what's wrong jarrad

But before he could say anything else sky came in and said

sky: just in time bloom

Bloom: sky, how did you know i would come here?

sky: i had a feeling you would but it's time for you to come with me

Bloom: no

sky: you have no choice

But before Bloom could do anything two men came in and grabbed her jarrad tried to help but couldn't he was knocked down Bloom tried to go to him but they held her back sky said

Sky: it's time to go say goodbye bloom

Bloom: no let me go and say goodbye

Sky: ok but you haven't got long

So she ran to jarrad and hugged him he said

Jarrad: Bloom do you have to go

Bloom: i have a plan its ok but i love you and we will see each other again

But before Jarrad could say anything eles she was grabbed by two men she tried to escape but couldn't before Bloom could do anything she was knocked out. When she woke up she was in a room she tried the door but it was locked 10 mins later sky came in he said

Sky: i brought you some breakfast Bloom

Bloom: i'm not hungry

sky: well you have to eat or i will force feed you

Bloom: i'm not hungry

Sky: that's it you give me no choice chloe

Sky grabbed the chair and tied her to it and started force feeding her. She couldn't handle it. She tried to turn her head away but could not do it. After he was done he untied her from the chair and left the room but Bloom had a plan but she heard footsteps so she quickly magic her phone away sky came in and said

Sky: chloe i some news for you

Bloom: what is it?

Sky: well my work is having a ball and well we are going and i have invited jarrad

Bloom: oh ok

Bloom was happy that she was seeing Jarrad so once he left Bloom messaged Chloe and told her they came up with a plan and they were happy with it. The day went quite fast and it was time for the ball so she picked the dress and got ready. When she was ready she knocked on the door. They

opened the door and she walked downstairs to meet Sky. When she got downstairs Sky was waiting he said

Matt: you look beautiful bloom

Bloom didn't say anything back they got into the limo that Sky ordered. When they got there Bloom went to see jarrad but Sky grabbed her arm and said

Sky: did i say you could go far

Bloom: no sorry would i be able to go see jarrad

Sky: yes but do not go to far

Bloom: ok

So bloom ran up to Jarrad and kissed him. She missed him so much but when she looked up at Sky he didn't look happy. Bloom and jarrad started dancing but as they were she saw Chloe outside but they communicated by mind. Jarrad said

Jarrad: Bloom, are you ok?

Bloom: i just want to be free and away from him

Jarrad: you will i promise

Bloom: i have a plan but you have to trust me

When the dance finished bloom signaled to chloe they came in and everyone ran out Sky said

Sky: bloom come here please

Bloom: no

Sky: come on bloom we are going now

chloe: she is coming with us

He fired at them. bloom transformed ready and she fired back but it missed him. He was getting angry but Bloom asked Stella to transport them to the safe house but Bloom had to go to alfia and sort out a plan. So once Bloom knew Jarrad was safe Stella transported them to the alfia. When they

got there mistress faragonda told Bloom to sleep in the girls room so she did. The next morning Bloom woke up to see chloe she said

Chloe: bloom miss faragonda wants to see us

Bloom: ok lets go

So both bloom and chloe went to her office to see the girls she said

Bloom: hi miss faragonda

Faragonda: hi bloom how are you?

Bloom: i'm ok we need a plan right away

Faragonda: yes we do i did some research on him and he is powerful he wanted to take over the magic dimension

Bloom: oh no we need to do something we could set a trap for him

Faragonda: yes but you need to be careful

So they talked about the plan it was a great one bloom was happy so the next day bloom went to the safe house to see jarrad but he wasn't there then something was on the table it was his phone then it started vibrating bloom answered it

Bloom: hello who is this?

Sky: hi chloe its me Sky

Bloom: Sky, where is jarrad?

Sky: right here bloom

Bloom: let him go Sky

Sky: i will when you meet me to make the swap

Bloom: ok

Sky: see you soon

So Bloom and the girls went over the plan again and when they were ready Bloom texted him to ask where to meet him once he told her they left the safe house and was on their way. When they got there all the girls except Bloom turned invisible when she got inside jarrad was tied to a chair bloom ran up to him

Bloom: Are you ok?

Jarrad: yes i'm fine what about you?

Bloom: im ok im glad your ok *kisses him *

She turned to Sky and said

Bloom: you need to let him go

Sky: ok here now are you gonna take his place

Bloom: yes but can i just speak to jarrad first

Jarrad ran up to bloom and gave her a hug but he said

Jarrad: bloom you can't take my place

Bloom: it's the only way to save you but i have a plan

Jarrad: bloom please i don't want to lose you

Bloom: you won't Jarrad just be safe

So she went up to Sky and said that she was ready then when she sat down she gave the signal and the girls came out bloom ran to them they transformed bloom said

Bloom: did you think i was gonna surrender myself to you

Sky: that would have been the right decision

Bloom: no way Sky i am ending this once and for all

Sky: come on then if you want to battle we can battle

They had a battle in the end the winx defeated him so once he was down they put handcuffs on him but the specialist turned up to take him away back to magics. When he was on the ship they were ready but someone called Bloom

She looked it was jarrad he said

Jarrad: you were very brave back there

Bloom: well i had to do something to save you

Jarrad: thank you

Bloom: i have to go but i will come see you soon i promise

Jarrad: i love you Bloom

Bloom: i love you too

So Bloom got onto the ship and left. When bloom sat down she felt a pain in her side flora asked

Flora: are you ok Bloom

Bloom: i'm in a bit of pain but i will be ok

Flora: are you sure you don't look good

Bloom: im fine

So Bloom sat down when they got to Alfia she turned Sky over to mistress Faragonda but Bloom wasn't feeling good she collapsed and the girls caught her. They took her to the medical room and sat there until she woke up. The next day she woke and said

Bloom: hi girls what happened?

Stella: well we were outside handing over Sky you collapsed so we brought you here

Bloom: thank you girls for your help

Stella: we are all glad your ok

So once she was well enough she went home to see her foster parents and told them the great news then she went to see jarred when she got there he was on his xbox as soon as he saw her he gave her a massive hug and said

Jarred: where have you been?

Bloom: sorry i collapsed at alafia so i had to get well

Jarred: are you ok now

Bloom: yes i'm fine

So Bloom spent the day with him but she had to go back to alafia because of classes and exams so when she was back at alafia the school year started and new advenchers to have with the winx club
